Welcome to HTB

Bulldog Proud

Welcome to the 2016 –17 school year. It is hard not to get caught up in the excitement of a new school year and with the enthusiasm of our newest Bulldogs.

On the first day of school, we asked our students what it meant to be **Bulldog Proud**. Students recognized the importance of working hard in class, getting involved in extra-curricular activities, showing school spirit, and making a difference in their school community. We will continue to emphasize school pride

throughout the year as we celebrate the success of our **Top Dogs** in academic achievement, school spirit, improvement, citizenship and athletics at our **PEBS** assemblies and other special events.

Ms. Babin's class taking part in a Welcoming Circle to engage their minds and start the day.

At HTB, we value a positive working relationship between the school and home. This partnership relies on open lines of communication. Please feel free to contact us with any questions or concerns regarding your student's experience here at the school. We look forward to getting to know you and your child throughout the year.

Please be sure to join us on curriculum night, Wednesday, September 28 at 6:00, to meet our teachers and learn more about us.

Focus for 2016-17

Currently we are in year one of Student Success Planning (formerly Continuous School Improvement). This year, we will identify our MATH and LITERACY goals, as well as develop yearly strategies that will help support student learning in these areas.

We have also identified three priorities to enhance your child's learning experience. These priorities are; Creating an enriched learning environment, designing lessons that are relevant to our learners, and providing clear learning targets.

Mme. Faddoul and her students learning about temperature and heat.
