## SAC Agenda

Wednesday, November 15, 2017  
6:00pm

**Attendance:** Everyone in attendance

### Student Update

- Vanessa & Emily

Dance on November 30th, last one was fun, hoping to have a few improvements (more requests in advance of the dance, maybe a fundraiser for money)

Dance Attendance - they would like for a rule to be in effect requiring students to be in attendance that day in order to attend. **SAC VOTED: Passed Unanimously**

Turkey supper - is it possible to have it again? May be too late for this year, typically volunteer letters would have been out already. Could another whole school event at the same time of year take its place this year?

Ski Trip - Can we have it again? Mrs. Thorne volunteered to organize, Mrs. Quinn volunteered to attend. Info from last year will be forwarded to us.

Road to HTB - Can it be repaired, patched. It is unsafe for students, buses, cars, etc. Winter is coming and it will get more dangerous. It will be added to the list of repairs needed, josh committee will include it in their report (SAC notes will be included).

Lights - in the driveway, NS Power may be able to assess for us?

### Principal Update

- Bonnie Ryan Sports Pad Sign

Used by both the school and community after hours, SAC Member (Rhonda will inquire about naming sign)

- Lisa Blackburn <https://www.halifax.ca/home-property/civic-addressing/commemorative-name-list>

- Snow Days, Late Starts and Early Dismissals

Delayed start is a new possibility this year, schools will open 2hrs after regular time, buses 2hr later, lunch and dismissal will be a regular time. Still announcements to be made as close to 6am as possible.

- HRSB Strategic Plan <https://www.hrsb.ca/YourVoice>

### Any other business

Coaching - Can information be given in advance of what the coach/guidelines and responsibilities are, so that they know what is required?

**Next meeting date:** January 17th 2014 - 6pm
